The London Times, of the 8th, has

the following account of the hurricane

in Sicily, which destroyed the town of

bish and fragments. "The incidents of the disaster are so strange as to be almost incredible. There was a store with twenty-five hectolitres of wheat, of which not a trace is anywhere to be seen. The books of the excise and land registry offices have vanished, and only their torn leaves have been found here and there at great distances. In one house all the copper kitchen utensils were blown through the roof; in another benches and heavy chests flew through the windows. to be seen curled up one way: those of another twisted up another way. There is a pillar of the palace, which has been moved forward one foot without breaking, and stands up isolated all in one piece. There is the wall of an other palace which has fallen back more than three feet without a crack. Here is the beam of one house which has thrust itself into another house. There is half a bedstead, the other half of which lies no one knows where.

All the tiles of one building are huddled together in one spot on the roof, crushed and broken up as small as if they had been pounded. The rafters of another building are all have. tiles have blown no one can se In a stable on the bare ground and the bodies of men, one by one, are being dug out. Most of them are it their night dresses, having been crushed as they were quietly sleeping. Their features and forms are so disfigured that one cannot look at them without shuddering. Their nostrils, ears and mo his eye-glass still stuck in his right eye.

serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action. Thus incipient disease is changed into health, the value of two lich change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating
